ENG103
Research Guidelines

You have chosen/will choose a topic you wish to research. This topic will be used to create a thesis statement, approved by me, that will guide your research. This thesis must be something that can be argued or proven with facts and examples.

Research Criteria

1. MLA Works Cited page due November 20, 2018
2. Final copy of research paper due November 27, 2018
3. The paper must be 3 - 5 pages long
4. No title page, see attachment for proper format
5. Works Cited page is considered an added page, not part of paper
6. Underline or highlight thesis statement
7. You must have at least four sources. Not all sources are to be from the same article, newspaper, etc.
8. The font is to be no larger than 12
9. Follow MLA citation format.
10. Do not send papers over the internet, hand in on the above date

Sample page number and title page:

(page one)
Your name
Your teacher's name
Class
Date paper is due
Place last name at the upper right hand corner starting with page two.
